

Fit, Comfort, Performance ...Guaranteed!

The World's leading performance system for equine comfort and performance now comes with a guarantee of achieving an optimal fit* for your horse.

The CAIR® Cushion System works in synergy with your horse's muscles delivering even contact over an increased weight bearing area, dramatically improving your horse's comfort and performance. Saddles featuring the world leading performance system CAIR® offer tremendous scope of adjustment, ensuring your horse's absolute comfort and your peace of mind.

Whether you're purchasing a new saddle or having your current saddle with CAIR® adjusted, you can have complete confidence in the professional expertise of CAIR® Specialist Stores.

Purchase your new saddle with CAIR® through a participating CAIR® Specialist Store and they guarantee that their CAIR® Specialist Saddle Fitter can achieve an optimal fit for your horse, or your money back*!

The CAIR® Cushion System is patented worldwide and exclusive to:

BATES
SADDLES

WINTEC
WORLD'S NO.1 SYNTHETIC SADDLE

CAIR
CUSHION SYSTEM

***Terms and Conditions:** The money back guarantee is effective from 1st of September 2011. In the unlikely event that an initial optimum saddle fit is not able to be achieved by the participating CAIR® Specialist Store and their appointed CAIR® Specialist Fitter, the money back guarantee on the purchase price of the new saddle with CAIR® will apply. Charges in relation to the saddle fitting service itself may still apply. Ask your local CAIR® Specialist Store if they offer this money back guarantee.

NB: The money back guarantee applies at the time of your initial saddle fit only. In order to maintain an ongoing optimum saddle fit, it is recommended that you regularly seek professional advice from a CAIR® Specialist Fitter, as your saddle fit will change through not only time in the saddle, but as your horse changes shape due to its maturity, type of work and level of fitness.
